

# Moderators List plugin for Seditio

*Version 1.0*

Lists all section moderators (users with Admin rights) in forum main (sections) and in topic list for a concrete section (topics).

## Requirements:

1. MySQL >= 4.1 with nested subquery support.

## Installation:

1. Put the «modlist» plugin into your «plugins» folder.
2. Go to Admin => Plugins => Moderators List and install the plugin.
3. Add {FORUMS\_SECTIONS\_ROW\_MODLIST} to your «forums.sections.tpl».
4. Add {FORUMS\_TOPICS\_MODLIST} to your «forums.topics.tpl».
